

Year 9 GCSE Options 2024

Student and Parent Information

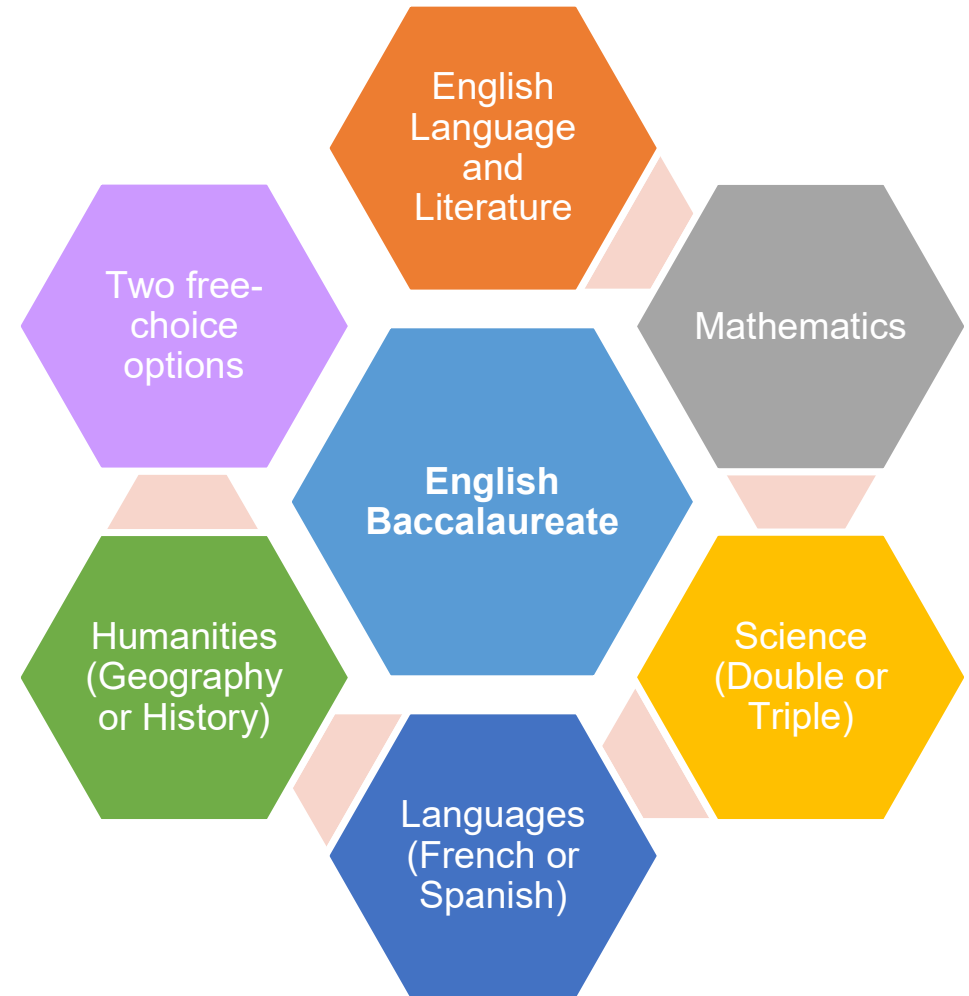

Guide to Qualifications: how do my GCSEs fit into the big picture?

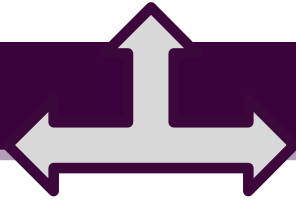

Levels	Types of qualifications
Level 2	GCSEs (9-1), BTECs, Cambridge Nationals <i>(all subjects at the same level)</i>
Level 3	A Levels, Apprenticeships, BTECs, Extended Project
Level 4/5/6	Higher Education, Apprenticeships and Employment

What does my GCSE package look like?

All students at NSG benefit from a package of qualifications based around the English Baccalaureate requirements.

This structure ensures that students receive a well-rounded education that will prepare them for a range of future careers.

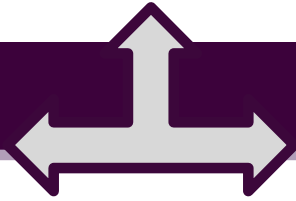

Two free-choice option subjects?

You will be asked to select your **preferences** for two free-choice option subjects and to pick two **reserve** subjects in case these are full.

Make sure that the four subjects you select are subjects you are happy to study in September.

Choose subjects...

- you want to study
- your teachers think you will do well in
- that may be useful to your future career
- you find interesting, succeed in and enjoy

Who should I talk to before I make the choice?

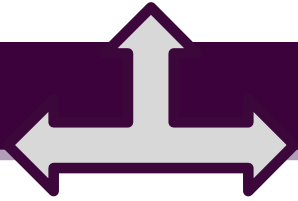

You should talk to:

- Your parents or carers
- Your form tutor
- Your subject teachers

for advice before you enter your preferences into the options system.

Make the best choices for you - **don't just follow your friends.**

What do **you** want to do?

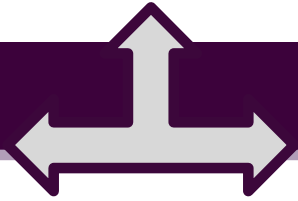

Core Subjects (studied by all students)

GCSE:

- English Language & English Literature
- Maths
- Science (Combined *or* Triple - your teacher will let you know which one you will take)

Other lessons:

- PE & PSHE

Humanities and Languages

Humanities GCSE:

History or Geography (one must be selected); you can add the other as one of your preferences if desired.

Languages GCSE (French or Spanish):

You will continue the language you are studying in Year 9 to GCSE level.
