

### **Inclusion Club- Tuesday lunchtimes, in the foyer**

This term Inclusion Club (led by Y13 students Nadia Rahman and Eliza Humphrey) celebrated their one year anniversary. This celebration was so well attended, and was a testament to all of the fantastic work the Inclusion club continues to do to celebrate diversity at NSG- from Chinese New Year to Ramadan, Culture Day and migration, Inclusion Club ensures students are informed about current events and issues.

### **CUE Council**

The first meeting of the CUE council was spent discussing the success of the summer 2022 Culture Day, and how this celebration could be extended and developed next year. The Council had great ideas about how to embed this fantastic celebration into the NSG school calendar.

### **Diversity, Equality and Inclusivity Conference- 12th October**

Members of the CUE Council represented NSG at a conference at Wellingborough School attended by students from schools across Northamptonshire. At the conference, they made excellent contributions to discussions relating to the successes of our school in representing diversity, and provided detailed feedback on the next steps which schools should take to better represent minority students, and those who identify as LGBTQ+ or have impairments.

There were some great ideas which will be turned into actions at NSG.

### **Heart Club- Friday lunchtimes, in the foyer**

This term we have enjoyed welcoming new members to Heart club, a safe and sociable place for students who identify as part of the LGBTQ+ community and their allies. Please attend our next meeting if you are interested, everyone is welcome.

### **KEY EVENTS: BLACK HISTORY MONTH**

A whole team of students working alongside Tineka, have put together a phenomenal assembly following the black history month theme of **Time for Change: Actions Not Words**. They have focused on the commitment to equality being the persistent effort to achieve justice, and the variety of speakers and topics provides great insight into continuing issues which need our action.

### **Curriculum Focus**

Teachers met with Mrs Carre to continue to discuss what more can be done to embed equality and diversity in our curriculum at NSG, ensuring teachers review the lessons we teach to fully embrace the diversity of cultures, backgrounds and heritages which NSG represents. If you have any thoughts on the curriculum at NSG, please use the google form below to provide feedback.

### **Wider reading**

Reflecting on the death of The Queen this half term, Miss Peachey found this article on [The Queen, The Queue and The Qur'an](#) provided an interesting insight into the passing of our monarch.

### **Feedback and Student Voice:**

Is there anything you would like to be featured in a future NSG Respects Newsletter?

Would you like to be part of an editorial team?

Please fill in this [google form](#) with your thoughts and feedback. If there are any enthusiastic writers out there we would welcome your contributions to add to the celebration and awareness of diversity at NSG!
